The Junior League of Raleigh

2018-2019 Annual Report

From the President

Samantha Hatem
President

The Junior League of Raleigh's commitment to making our community a better place was in full force during the 2018-2019 League year. It was a year of bold steps and big changes as we worked to continue our legacy of training volunteers, creating community leaders and impacting the lives of so many people in need in Wake County while at the same time modernizing our League to keep up with changing times to stay strong into the future.

The biggest change was the decision to sunset the League's longest-running fundraiser, the Bargain Box. It was no small feat to close our 58-year-old thrift store, which had been a fixture in our community helping thousands of people in need over the decades. However, by closing the store we could better focus on our community impact while valuing our members' time and availability. It also meant we could look to new community partnerships to bring a renewed passion and energy to our members, partnerships like ones with The Green Chair Project and Note in the Pocket, which will be new placements for 2019-2020.

Thanks to the work of our Diversity & Inclusion Task Force, we made a commitment this year to further broaden the diversity of our membership. With nearly 1,500 volunteers representing wide breadth of skills, professional experiences and life stores, we pledged to be inclusive and diverse in all areas of our League.

We also stayed true to our mission of helping our community, with our volunteers giving more than 26,000 hours of volunteer time with our partners, including SAFEchild, StepUp Ministry, InterAct and the Brentwood Boys & Girls Club. We helped AventWest Children's Mentoring celebrate 20 years of serving the needs of children, and we expanded our reach with our Backpack Buddies program, adding two elementary schools to the three we already serve, bringing the total number of children served during the year to nearly 500.

Our signature fundraiser, A Shopping SPREE!, continued to dazzle with more than 180 vendors. Our Touch-A-Truck® event grew yet again with more trucks, sponsors and attendees. And our Annual Fund exceeded its target goal with our Day of Giving for a second consecutive year.

We were able to do all of this because our volunteers were committed to our mission and our partners saw the value in our contributions. As always, we are grateful to our continued and new sponsors and donors, who believe what we believe: that the Junior League makes a difference in our community.

Thanks for reading our 2018-2019 Annual Report and that you for your support of the Junior League of Raleigh!

Warm regards,

A handwritten signature in black ink that reads 'Samantha Hatem'.

JLR Serves

The Junior League of Raleigh provides passionate, trained volunteers to local nonprofit efforts, including: AventWest Children's Mentoring, Backpack Buddies, Brentwood Boys & Girls Club, Food Bank of Central & Eastern North Carolina, Helping Horse Therapeutic Riding Program, Heritage Park Community Learning Center, InterAct, SAFEchild and StepUp Ministry.

Provisional Members learn about JLR's community involvement opportunities during a year of training before becoming active members with annual volunteer placements.

In just eight years, JLR's **BackPack Buddies** Program has gone from serving eight children at one elementary school to feeding more than 250 kids each week at five elementary schools. League members also now feed the children we serve at StepUp Ministry and AventWest Children's Mentoring, as well as partner with the Alexander Family YMCA's Camp High Hopes summer program.

JLR Serves

Have a Holly Jolly Raleigh holiday! **Heritage Park Community Learning Center** is an after-school program with JLR volunteer support, including the annual holiday shopping spree. Students use vouchers earned from attendance and good behavior to “purchase” presents for their loved ones.

JLR volunteers sort and package incoming produce and assemble gift baskets and care packages at the **Food Bank of Central & Eastern North Carolina**.

JLR Serves

Trick or Treat! Members of **Team InterAct** plan an Annual Trunk-or-Treat Celebration to provide families a safe space to enjoy Halloween with their children.

At the **Brentwood Boys & Girls Club**, which was founded in 2006 with a monetary gift from the Junior League of Raleigh, members showcase potential career paths for students at this after-school program.

JLR Serves

Bringing holiday cheer to parents during what can be a stressful time of year, members from **Team Transfer** collaborated on Angel Tree gifts for **SAFEchild** families.

Fa la la! JLR **Chorus** members prepare music to perform for residents of nursing homes and retirement centers.

JLR Trains & Engages

Over the last 89 years the Junior League of Raleigh has provided more than one million volunteer hours to enhance area nonprofit efforts. Today, the Junior League of Raleigh is the eleventh largest Junior League internationally, with nearly 1,500 members supporting a myriad of teams, programs and events.

Lights, camera, action! President Samantha Hatem and Executive Vice President Randi Ligon tape a broadcast news interview promoting **A Shopping SPREE!** with JLR media partner ABC11.

Ready, set, network! **Team Training** hosted a Flash Mentoring Event for members to dive in and explore various professional journeys and communication styles.

JLR Trains & Engages

Members from **Team Arrangements** coordinate the annual Sustainer Holiday Social, ensuring every detail is covered to create events that are enjoyable and memorable.

Communications & Strategies Council members and other JLR leaders take in the sights and sounds at the NC Capitol Tree Lighting ceremony.

JLR Funds

Funds raised through JLR's annual campaigns support community projects, grants distributed to our area's nonprofits, training opportunities for our members and JLR operations.

Shop 'til you drop! **A Shopping SPREE!** executive committee members celebrate during JLR's largest annual fundraiser.

Vroom vroom! **Touch-A-Truck** dazzled kids of all ages and interests — featuring emergency trucks, construction equipment, big rigs and mobile machinery — with proceeds supporting our Backpack Buddies program.

JLR Funds

We bid farewell to the **Bargain Box** with a public send-off before its closing in January 2019. Since opening its doors in 1951, the Bargain Box raised more than \$1 million for the community and distributed tens of thousands of dollars' worth of clothes and household goods to those in need.

Capital Campaign supporters gather at the dedication of the new Donor Wall at the Julia Jones Daniels Center for Community Leadership.

JLR Funds

Leaders accept a **national funding development award** at the Association of Junior Leagues International annual conference.

Members of the 2018-2019 **1930 Society**, donors who are recognized for their generosity to the Annual Fund, gather in Historic Tarboro to celebrate the success of the Annual Fund and the League's year of impact.

JLR Funds

During A Shopping SPREE!'s Preview Party, three well-deserving Wake County charitable organizations shared a \$15,000 grant from the Junior League of Raleigh.

CASA develops, owns and operates affordable apartments across the Triangle that serve families and individuals with barriers to the conventional housing market, including income, credit issues, previous evictions and the use of housing vouchers.

The **Helene Foundation** provides immediate practical support to families with mothers fighting cancer. Since its inception in 2009, the organization has assisted 173 families and over 350 children who are referred by social workers from area hospitals.

The **Learning Together Development Day Program** presents an inclusive, educational environment for children 18 months to 5 years old, including those with or at risk for developmental disabilities. The school seeks to provide each child with the foundation needed to reach their full potential.

Since its inception in 2004, JLR's **Legacy Grant** program has awarded nonprofit agencies more than \$205,000. Grant applicants are nominated by League members and support the local community through an emphasis on children and women.

Partner

The Junior League of Raleigh prides itself on being an active part of the community. While a substantial part of our efforts directly impact members of the community, we also partner with other agencies to help with their community efforts. The strength and size of the League's membership also allows us to support other agencies with their own projects. JLR's Quick Impact team provides hands-on help to other community agencies with short-term projects or events. Also, JLR board members are available to provide leadership and guidance to other community agency boards. Not all community groups have dedicated meeting and training space. To fill that need, the Julia Jones Daniels Center for Community leadership, the League's headquarters, is available for public use by other nonprofits and organizations. Meeting and training space is available at reasonable rates.
